

International Pentecostal Holiness Church

1999 Final Statistical Report & Denominational Summary

April, 2000

International Pentecostal Holiness Church

Introduction

New churches continue to be the major source for growth. In 1999, they accounted for 58% of new members. Large churches, those with more than 180 members accounted for the 40%. Smaller churches, those with fewer than 180, showed a net gain of 2%. Closed Churches lost 2,040 members. See here for details.
